“ *Carol and I had some great times working together at the Kent County Public Library. We shared many laughs together and enjoyed going to lunch and theater. In many ways, Carol was a very private person and did not like to talk about her health. I just learned today that she had passed away and was so saddened. I wish I could have talked to her one last time. Her laugh made me laugh and is something I will always remember.*

“ carol was a very good friend. we worked together at Kent Co. Library and had everything in common! Carol was soft-spoken and thoughtful. She adored traveling - 40 + countries ! My family loved her and we celebrated holidays with Aunt Carol in Rock Hall. My friend became involved with Eastern Neck Wildlife Sanctuary and the Rock Hall Museum. Carol's loyalty was appreciated as an employee and a volunteer. My family and I will miss Carol so much. Sympathy to her family. Love Babs Danneberg

“ Remembering Carol as a good friend and talented actor and musician, who contributed her energies to many projects and organizations in our community. She is pictured here with the cast of an A.C.T. production of A Voice of Her Own. She contributed her talents to Kent County Arts Council as a Board Member, and to A.C.T as an actor in several of our productions. We miss her. Leslie Prince Raimond

“ Carol was very funny, very kind and very stubborn. She traveled the world and wrote meticulous accounts of her adventures. She made me laugh and comforted me when I lost my beloved dogs. She never spoke ill of others. She insisted remembering my birthday even when I ignored the date. She loved bacon cheeseburgers. She was my good friend and I will miss her very much. Good night, dear one. Antoinette Smith and Doc the Cat. June 4, 2020

Carol and I worked together at Menley & James in Philadelphia in the mid-sixties. She set up the library for the company. We became very close friends, and Carol was in my wedding. We lost touch over the years, but then I found her again in 2000 -- and we visited her in Rock Hall. We corresponded off and on for several years -- but lost contact again. So, I was stunned to find her obituary today when searching for a way to reach her. I cannot believe she passed away so recently. Carol was truly a wonderful, fun, positive, and very bright person. I am saddened that I didn't look for her only a month sooner. My condolences to Carol's family.
