“ I had the pleasure of working with Carol at NALC-HBP as her computer operations manager. Carol was instrumental in my professional life and supported me as I moved to Colorado in the mid-eighties to further my career. We stayed in touch throughout the many years since and she always remembered me and my family during the holidays. Words cannot express my sadness upon hearing the news. I hope that she realized the many lives she touched in positive ways. I for one will pay it forward in her honor. God Bless her many friends and love ones.
