“ *So many memories. Those long evenings playing cards and eating your food. I don't know how you put up with Bill and Lou and Joe trying to decided who won. Putting the floor and roof on the "new house". Crawling underneath to get all those heating ducts Mr blades teaching me how to build a bathroom cabinet. My first friends on the Eastern Shore way back in 1966. You made it easy to stay here and learn to love the place because we loved you.*
