“ Carol was such a kind person and always willing to help anyone, anytime. We had lots of fun conversations at work and I was happy to have seen her a few times after retirement. But those looks of hers, you did not want to be on the receiving end. RIP sweet friend! You will be missed by so many people. I don't think she knew how much she was loved by so many.

“ Oh Carol! My beautiful friend, co-worker of 45, yes, Forty-Five Years! most of which you and I and Lolly and Jeanette celebrated together at our 5 year anniversaries and sister! I'm so glad I saw you late last Fall at Aquafit and the summer before last when I met you on the street in Rock Hall! Some people just leave a love in your heart that you never lose, and for that reason, I'm glad I saw you a couple of weeks ago at home but wish I had made it my business to see you more often since our retirement. While I know I'll have a lot of loved ones waiting for me on the other side of Heaven's gates, I surely hope you are one of them! (I'll leave you plenty of time to be with Kenny and your parents before I arrive- I hope) I'll love you forever and send my deepest condolences to your children, grands, great grands and to Chip! Thank you for taking care of her, Chip, Kenny Jr., Suzette and all of the rest of her lucky to have her family. See ya on the other side, my friend!
