“ Carole and I were best friends all through Elementary school at St. Bernard's school in Baltimore. We used to visit at each others home and I visited at her grandparents house too. I have pictures of us playing in my backyard when we were about 7 yrs. old, After we left St. Bernards we each went to different High Schools and lost touch with each other.. I ran into Her parents Marie and Ed a few times in Baltimore then I moved with my family to Easton, MD. Imagine my surprise when I ran into them on the Eastern Shore ! I saw Carole twice when she visited them from Virginia. We moved to Florida before Carole moved to St. Michaels and we never saw each other again. I will always remember my first "best friend" Prayers and sympathy for your family. God Bless You !
