

## Caroline Lieber Baldwin

March 15, 1958 - January 26, 2022

Caroline Lieber Baldwin of Chestertown, MD, died on January 26, 2022, at the University of Maryland Medical Center in Baltimore. She was 63.

Mrs. Baldwin was born in Fort Campbell, KY, on March 15, 1958, the daughter of Albert C. (Hap) and Joan Lieber. She grew up a military brat, moving often. She graduated from Groveton High School in Alexandria, VA, with the Class of 1976. She then attended Colorado State University, where she received her Bachelor's degree and was a member of ROTC.

She joined the Army reserve and was proud of achieving the rank of Lieutenant Colonel. She had a successful career in Construction Management with firms such as Metcalfe and Eddie, Bechtel, the Washington Metropolitan Area Transit Authority, Jacobs Engineering, and others.

Aside from her favorite place, Piney Grove, the family farm was in Chestertown, MD, where she enjoyed sitting with family on the porch and enjoying the view up the river. Some of her favorite memories were of her time in Colorado, skiing and hiking, as well as fun visits with the cousins at the family camp on Hinckley Reservoir in Remsen, NY, and traveling with her late husband, Tim. She led the effort to rejuvenate the family vineyard at Piney Grove and served on the board of the Port of Leonardtown Winery in St Mary's County, MD, where she lived with husband, Tim, until her recent move

to Piney Grove in Chestertown.

She is survived by her brother, Chip Lieber (Jennifer); her sister, Jeramie Lieber Bruce (Neal); nephews and nieces, Emory, Riley, Joseph, Brook, Elizabeth, and Julia; six grand-nieces and nephews; as well as many loving cousins.

A private graveside service will be held on Saturday, February 5, at 1:00 pm, at St. Paul's Church Cemetery in Chestertown. The family is planning a "Celebration for Caroline" at Piney Grove on April 23.

“ *We met Caroline in St. Mary's Co. She and Tim frequented the Morris Point restaurant across the creek from us, as did we, and a friendship blossomed! Her outgoing personality was infectious. It was her idea to start a casual gourmet dinner club with other friends we made at the popular spot, including the owners! So, we did! And what fun we had! She and Tim went beyond that and hosted us all for great food, croquet, cornhole, oysters and crabs! I will treasure those memories for as long as I live. I like to think Caroline and Tim are hosting parties in heaven together again.  
My condolences to her sister, brother and their family.*

“ I like to remember Caroline as she was before she and Tim were in that horrific car accident near their home. Before that night, they were on top of their game. Caroline was instrumental at her job, her health was excellent, and Caroline received a promotion in the Army Reserves.

*Before the accident Caroline was at a season of life when she and Tim enjoyed traveling and getting together with friends.*

*After that dreadful accident I went to Baltimore to visit Caroline in ICU to see if she needed me to do anything for her. Caroline asked me to wash her hair. As all people know how important that is, I washed her hair with her head at the edge of the bed I poured warmer into her trash can. Caroline was so appreciative because she felt healed with clean hair.*

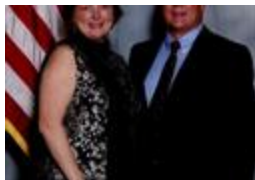

*From that time in her life she showed family and friends how determined she was to live and fight obstacles that developed in her body. May you Rest In Peace, Caroline. The fight is over.*
