“ *Saying goodbye to my nephew is very hard. He was a very important part of our family. He always had a smile that was infectious. Can't begin to put into words how much I will miss , loved him so much.*

“*Carroll will be sorely missed at the Caroline Center Inc. His vast knowledge of trivia was a huge help to me conducting activities. He loved shocking us with his humor. I am taking peace in the fact that he is resting in a better place.*

“ It has been my pleasure to be your bus driver since the day you became a part of the Caroline Center family. I will never forget the sound of your voice when you would sing along to the radio and you loved when I would play some Reba Mcintire songs. We shared a interest in hummingbirds, snoopy and the Philadelphia Eagles. You knew my son loved them and smiled from ear to ear when they won the Superbowl! I will cherish the stuffed frog that you gave the bus and the rock that was painted like a ladybug will always be on my kitchen window sill. I will never forget you and the way you would make me laugh. My bus won't be the same without you. RIP and now you're pain free.

“ I haven't seen Carroll for many years. I do remember him as a little boy (about 3yrs old) being carried around by his parents. He always had a smile on his face. I am so happy he lived a long life and was loved by so many. May he rest in peace.
