“ *Granny K- There are no words to describe how fortunate Chad and I were to have you here in Tucson these past couple of years. It meant so much to all of us that you were here for Holidays and Birthdays. I'll always think of you on Christmas and smile remembering how surprised you were with every gift you had to open. Oh and the list you had to make in order to keep track of what you received and who gave it to you because you wanted to be sure and thank everyone. I always enjoyed our time together and will never stop thinking about one time in particular. One day I picked you up and we went to Olive Garden for lunch. Just you and I. We ordered a glass of wine, you were so cute sitting in the booth as you held it up to me for a toast. I snapped a picture of it and I am so glad I did. As beautiful as you were inside and out that became my favorite picture of you. I'm sad that your gone but I am so happy you are not feeling anymore pain. I will miss your laugh and how excited you were when Chad and I would come for a visit. You were a proud grandparent and he will always hold a special place in his heart for you. Thank you for the memories and most importantly thank you for being the amazing woman I came to know as Granny. I love you!!*

“ Aunt Kay crocheted our sons Baptism blanket. She mailed it to us because she could not attend the service in October 1994. That was his favorite blanket, carried it everywhere and still has it today. Aunt Kay was so wonderful and kind. We are praying for all the family. Blessings, Frank, Sharon & Kyle Winterling (Nephew)
