“ I met you about 10 years ago , through your son, Chris. I learned of your struggles , your tenacious spirit , your love for your children and your willingness to encourage them despite what you or they were going through. Please watch over Dustin, Chris & Mara , guide them and shine your light as they continue to find their way in the world. Peace to you Cathy and wishes of comfort to all who love you. Dustin used to tell me about your love for the band Fleetwood Mac so Im leaving these lyrics here , I feel like you might say something similar to your kids right now if you could-
" If you wake up and don't want to smile,
If it takes just a little while,
Open your eyes and look at the day,
You'll see things in a different way.
Don't stop, thinking about tomorrow,
Don't stop, it'll soon be here,"
