I got to know Kathy when we worked together at Sudlersville Middle. I went on my first cruise when she was there and she shared her love of cruising with me. She was a very nice person to work with. RIP

“ *To my loving "sister" in heaven. We just talked about this on Wednesday. You said you heard heaven was warm and sunny and you wanted to see your mother and Allison. I told you to save places for the rest of us to follow. We'll have a large family reunion cookout once we're all with you. Jim and I have always loved you! We'll be sure to look after Bob.
