

Charles "Andy" Blizzard

April 29, 1967 - November 10, 2013

Charles Andrew Blizzard of Easton, MD, passed away on Sunday, November 10, 2013, at his beloved childhood home in Trappe, MD, due to complications of a chronic illness. He was 46.

He was born on April 29, 1967 in Easton, he was the son of Charles and Sally Blizzard. Andy, as he was affectionately referred to by friends and family, grew up in the Jamaica Point area of Trappe, where his parents still reside today. Andy attended Talbot County schools, graduated from Easton High School in 1985 and graduated with a Bachelor of Science Degree from University of Maryland in College Park in 1989 and was just shy of receiving his Master's Degree upon his death.

As a child growing up on the Eastern Shore of Maryland, some of his favorite pastimes were fishing, playing with his cousins on their grandparents' farm, hunting deer, duck and geese, archery, and most anything relating to the outdoors.

Andy was very talented and creative. At the age of 14, he studied and practice taxidermy. He came from a long line of talented duck carvers and jewelers and Andy's displays of various animals indigenous to the Eastern Shore were on display for several years at Horn Point Laboratory in Dorchester County. Andy shared his love for the beauty of the area with his children, both through hiking

local trails as well as expanding hiking with them as they grew older in other locales, pointing out and educating them to various animals, plants, and the wonders only found in nature.

Andy was an entrepreneur, earning a patent at the age of 18, for his invention of a laser sight for bow and arrow hunting. Andy also was the owner of White Marlin Designs, Inc., a company that further utilized his talents and love for the ocean. He painted large life-size fiberglass fish for many of his customers based on pictures of their catch and release tournament trophies. Several of his fish can be seen on display in various restaurants and clubs both in Ocean City, MD, and other locations across the country.

Many of Andy's friends remember him for his entertaining ways and eagerness to cook for company. He was very talented at coming up with full course meals at the last minute for friends who would drop by just to say hello. He was always stationed at the grill, whipping up a last minute impromptu meal for anyone who could hang around long enough to indulge. He loved cooking for company, neighbors or anyone who popped in. He also loved to get a rise out of anyone who was least suspecting of his many practical jokes. Andy was generous without fault and loved to help people when they were in need. He accompanied his family with enthusiasm to feed the hungry on the Western Shore on occasion. When hunting, he would take deer to Dorchester County to feed the hungry. He would rescue any stray animal he found. As mentioned by several who knew him, he would have made an excellent veterinarian because he had such a love for animals. He is survived by his four dogs, a cat, and an iguana, all of which he played a major role in acquiring.

Upon graduating from college he was employed by CellularONE in Greenbelt, MD. He lived in the DC area but came back to the shore as often as possible. Andy lived in Annapolis, MD, for several years commuting to and from

Greenbelt until an opportunity within the company became available ,and he returned to the shore. Andy also had worked with Reliable Pharmaceutical Company based out of New Jersey for several years as the local pharmaceuticals representative for the Delmarva area. Until his health began to fail, Andy was the sole owner and president of Hiring Authorities, Inc., a recruiting firm for medical device, pharmaceutical, and engineering companies.

Andy married the former Elizabeth Blair Brown, daughter of the late Dr. William A. Brown and the late Isabel L. Brown, of Easton, on August 31, 1996, at Holy Trinity Church in Oxford, MD. He is also survived by his 17-year-old son, Christopher Austin Blizzard and 13-year-old daughter, Catherine Allison Blizzard; aunts and uncle, Julian and Dorothy Nave and Faye Nave, of Trappe, Cora Sue Cheves, of Jackson, GA, Diane Blizzard, of Salisbury; local cousins, Patty (Phillip) Tindall and their children, John (Christa) and Stephen (Lauren) Tindall, Jay H. Nave (Diane) and their children Jared (Grace), Joel, Kara and Katelyn Nave; and Julie Tindall, and her children, Nicholas (Cheri), Matthew (Sarah) and Ross (Etta) Tindall, and cousins living across the country, Jackie Kreutzer (Ernie), Daniel (Carrie) Nave, Michael (Lee) Nave, and Lora Lee (Larry) Morgan, Nancy Ann Cheves and Adam (Danielle) Cheves. He was predeceased by his grandparents, Charles and Isabelle Blizzard of Salisbury, Isaac and Leona Nave, and an uncle, Jackson M. Nave, of Trappe.

A Celebration of Life service will be held at his home church, St. Mark's United Methodist Church, 100 Peachblossom Avenue, Easton, MD, on Saturday, December 21, 2013, at 5:30 p.m.

Private inurnment services at Oxford Cemetery will be held at the convenience of the family.

Memorial contributions may be made to Talbot Humane Society, 7894 Ocean Gateway, Easton, Maryland 21601, or to the Lyme Disease Association, P.O. Box 1438, Jackson, NJ 08527, or "Blizzard Children Education Fund", c/o Talbot Bank, Attn: Amy Hutchinson, 18 E. Dover St., Easton, MD 21601.

“ *Lots of fond memories in O.C.
Fishing lessons on the pier at Harbour Island will not be the same.
You will be missed Andy.

“ Words are simply not sufficient to describe the great loss to the world, and my words fail me now.
Andy was one of the kindest, most compassionate, most caring, and most intelligent people I have ever had the privilege of knowing. My thoughts and any strength I can lend go out to his family and to everyone who knew and loved Andy - I think it is no cliché to say that to know Andy was to love him.
We loved him, and will continue to love him and miss him terribly, forever.
