*Robin he was a good man. You could tell how much he loved you. This was a wonderful tribute. Even in the pictures you could see the love for you and the kids. He is now your guardian Angel watching over ya's. He will never be forgotten. I will never forget the fun times when he would help out at the store during inventory. God bless all of you during this time.*

“ I know Big Mickey was not only your husband, but you best friend and soulmate like my Allen. That kind of love only comes around once in a lifetime and not very many couples get to experience what we had. May the wonderful memories take over the pain in your heart and give you peace that he is no longer suffering. He was so determined in his fight to live. God had other plans. The Lord only gives us what he knows we can handle. You are a strong woman and I love you.
