“ Although I didn't know you well, I always heard of Pop-pop. He helped pay for my brother to go to the Macy's parade even though Austin eventually wasn't able to make it. He put his money towards those in need, and I know my mom had some good memories too. R.I.P. Pop-pop... My condolences to friends and family... (Aunt Mary and dad)

“ *RIP Charlie, even though I only knew you for short 8 years when you became my father-in-law, I will remember our chats. I will treasure the sharks tooth you gave me that you found as a young man. And how could I forget the first time you showed me that snake skin...ewe.*
