Miss you pop wish I would have had the opportunity to say goodbye. I know you didn't want people to see you like that but I don't see how it was fair that I didn't get to say goodbye or try to make amends or just let you know how much I love you and appreciate you. I don't think it's fair that there's type of moments get taken away from me all the time. Anyway God bless you and Bessie Christopher too.. basically my mom and my dad.

“ My dear sweet poppy, I know there is no need to tell you how much you will be missed and how much you are loved because we told each other everyday. I just want to say I will cherish the memories of all our shenanigans. I will hold them close to my heart forever and on. You were the best Poppy a girl could ever have dreamed of and a best friend of a lifetime. I'm so blessed to have gotten everyday, of the past 8 months to spend with you. I know it was hard, but you fought like you loved, with everything you had and I'm so proud to call you, my Poppy. No more pain or worry for you, you lived a great life and left us with our hearts full of your love. Now, you can rest easy reunited in peace with the love of your life. You and Nana together again, the way it was always meant to be. I love you, my dear sweet old man and I will see you both again, when it is my time. Forever grateful, Xoxo, crissy

“ Dad, I love you so very much. Thank you for always being there in the good times and bad. I know your with Mom now which makes you happy, but the family still here, is heart broken. As I do with Mom, I will learn to deal with life without you by my side but hold you close in my heart every moment. I will miss you always Pop, until the day I can see you again. Thank you for everything you have ever done for me. I love you Dad
RIP Dad.
