“ Chuck and Mary were a special couple, it was rare that you saw one without the other. Mary was the quiet one, need I say more. Loved to hear Chuck pay. He always spoke when he saw you and had a smile. He will be missed but I believe that he and Mary are together again.

“ Dear Downey Family.

How well I remember when several of my friends in Piney Neck, rode our bicycles for the four miles from where we lived to go to Rock Hall because we knew the new baby had come home and we wanted to congratulate Mr. & Mrs. Downey. Mrs. Downey had been our First Grade Teacher and Mr. Downey was our mail carrier. We did not get to hold the baby because those of us who rode that far from home (after we asked our mothers for permission) were only ten years old and would not ask to hold this precious child. After we talked with Mrs. Downey for a while, we thanked her and went back to our homes again. It was a happy trip both ways. Going there and anticipating seeing this baby AND the return to Piney Neck with the memory of seeing him (and his mother). I have outlived the youngsters who went with me, as well as the folks who lived in Piney Neck as I was growing up there, but the memories of the happiness we shared will remain with me as long as I am alive.

I know Charles will be missed by many. I offer my condolences to all who loved him.

Love, Charmayne (Shriver) Dierker
