“ Several years ago, my friends and I were on our annual vacation at a campground on the eastern shore. One of my friends was battling cancer and spoke of her bucket list. She shared that one of the items on her bucket list was to one day get a bushel of the best eastern shore crabs. I told her I knew where to find them. We went to the Wye and spoke with Mr. Schnaitman. He was so kind. He promised we could get them the next day. We got the best crabs we have ever had in our lives. We paid him the fee and a pie. Each year, we have returned to with a pie. He has shown us such kindness and we loved hearing his stories of the water. His love for his family and his life on the water was obvious. He was the highlight of our visit each year. We visited this summer and just looked out on the water missing him.

“ Grew up on the Wye and met Chuck while he was crabbing on the Missy Lynn. Became friends and sold crabs to his Father. Spent a lot of time at Landing in the 70's and saw Chuck grow into a great Waterman and later a great charter boat Captain. Later years would visit the Landing, sit in Captain chairs in front of crab cooler, re-living the past for hours. You will be missed. George Garrett

So very sorry to hear the news of Chuck's passing. Meant Chuck in Middle School back in the late 60's, so have known him over 60 years. A very pleasant person to be around. We use to keep boat at the landing and did a lot of business with Chuck. He will be missed by all. God Rest Your Soul Chuck.

RIP my friend. Mornings on the Wye will never be the same for me without hearing the "blub...blub...blub...blub.....blub...blub...blub...blub" resonating from your diesel engine in the pitch dark @ 4:00 AM. You will be missed, and appreciate all the help you gave us over the years. Best wishes to the family during this tough time.

“ I am so sorry to hear this news about Chuck. I have known the Schnaitmans for all my life. They are a great family. Chuck was a good friend to me. Shucks, he was a good friend to everybody. I went all through school with Chuck. We both graduated Easton High School in 1973. I always saw him when I went to Wye Landing. I had a ski boat back in the Seventies. Chuck, Bill, and Ricky Dodd would go water skiing with me. It was a good time, and we had a lot of fun. Chuck was a good man. None better. He was a hard worker. When you think of Wye Landing, you automatically think of Chuck Schnaitman. Wye Landing will never be the same. Chuck Schnaitman will never be forgotten. I don't think I will be coming to the church. I can't hardly walk. But I will be there in spirit.
