“ There will never be another one like Uncle Buck. He always teased  
and joked everyone. He took my mom in to raise when she was just  
a child which shows how loving and good of a person he is to be  
just married and take on the responsibility of his wifes sister to raise.  
My dad, mom and me used to go over there every Sunday when I  
was a child. We spent alot of time there throughout my childhood. I'll  
miss Uncle Buck.
