“ *Uncle Chubby. So many lasting memories of growing up spending summers on the farm and at the deer cabin. Stories that I share with my girls to this day. I spent many summers strolling the fields and lanes atop your shoulders, having you answer the countless number of questions I would constantly ask. Your devotion to our creator resinated to us and kept me grounded in life. Thank you for giving my three girls the opportunity to experience what we did on the farm during those summer visits, they loved it. The lifes lessons you instilled will always assist in my guidance. May you be in peace.....

“ *Dear Family and Friends,  
Chubby was a great friend with an infectious smile. He was a member of Sudlersville Llons Club where we were both members at one time. He was very respected in the ag community of which I was involved as an employee of Chestertown Bank. I spent many enjoyable times setting at their kitchen table. God bless.
