“ Man where do i start. You came into my life when I needed you the most and you stayed. You and I raised our kids together. Thirty-some years of friendship 15 years together as a couple. We had some awesome awesome times. I will love you forever and you knew that. And i know you loved mecas well. When I talked to you the week you passed I told you I loved you,you told me I know. For as sick as you were you knew what I was saying.
You're up there now taking care of Cody and are at peace. No more pain, no more struggles, only peace. I will love you forever.

“ Sending thoughts and prayers to the Jacquette family. I have such fond memories of growing up with Chucky while visiting with my grandparents, his godparents. His presence filled the room when he entered.
