“ *Charlie always stood out of all people by his entertaining character with hilarious stories and his big heart. Those of us who got to know him were very lucky for having crossed paths with him. We enjoyed his visits to Las Vegas as he was like another member of our family. Someone so memorable can never be forgotten. Our prayers are with his family during this difficult time.*

“ *Charlie was such a part of the Manning family, an honorary brother. The many vacations taken together, the parties, the nights of "contemplating the universe" as Charlie would say, the holiday dinners, will always stay in my thoughts and my heart. We will miss him so much each and every day. Prayers and thoughts to Miss Jean, Tammy, Debbie, CT, and the other family and friends.*
