

Charles "Mike" Bryan Mann

December 5, 1945 - January 11, 2022

Charles Mann, known by family and friends as Mike, died suddenly from cardiac complications in early January 2022 in his home on Kent Island, Maryland. He was the only son of Henry and Edith Mann of West Annapolis, MD.

Originally from Annapolis, he graduated from Severn School in 1963, and he received his bachelor's degree in English from the University of Maryland in 1969. Among his interests were his much-loved dogs & cats, Sci-Fi movies, Formula One Racing, the stock market, and the history & mechanics of firearms. He was considered by many as a firearms expert both when he worked in that field and for years afterwards.

He was a kind and generous man to his family and to many who grew up in less fortunate circumstances. Unmarried and having no siblings nor children of his own, Mike is survived only by his many cousins and Sara Williams, now of Delaware, who gave him the gift of being like a father to her.

A memorial service is being planned for the spring, on April 30, 2022 to begin at 10 AM at Fellows, Helfenbein & Newnam Funeral Home located at 106 Shamrock Rd. Chester, MD 21619.

“ We have so many memories of Mike – where to begin? At our wedding? At our grand family reunion following our return from our “three year honeymoon” in Turkey? Our “crème de menthe” party? Our son Jason’s baptism with godparents Cousin Mike and my sister Chris? For almost fifty years, we had so many Sunday afternoons and holidays together, our number dwindling over the years – Mike, Carol, Mom, Pop, Henry, Edith, Uncs, sometimes Mary, Douglas, me, Jason, Christopher. And, of course – Cindy-Cat, Spike, Denise, Berkeley, Moosie, Holden, and Phoebe – all of whom loved cousin Mike coming over because he would always share his favorite hors d'oeuvres (shrimp) with them. And Mike was such a gracious guest; he always brought a bottle of chardonnay to charm the “kitchen witch.” Mike, we miss you; you will always be with us in spirit.

“ Dear Mike...you will be greatly missed. We always enjoyed your sense of humor...and shared a love of our four footed friends. My favorite memory is when you saved New Years Day....my car died....while laden with all the champagne cocktail fixings! Our Eastern Shore savior drove out to Wittman and ferried me and the bubbly to Gaithersburg 🍾🍾. With love and warm memoriesChris and Frank Doria

“ A very dear friend that was always willing to take "the girls" to lunch, pitch in when a friend needed help and was a safe harbor for those feeling like they had nowhere to turn. I hope that you are with your beloved four (or three) legged furry friends who you looked after for so many years. You will be missed.
