“ So sorry I was not informed of my brothers passing until a week later as my nephew Chip called me. Bill was 3 years older than I was and we grew up in two different worlds. I did contact him before Christmas this year and we talked for some time. I do wish we could've gotten together again but it wasn't in the cards. Rest in Peace my only brother!!

“ I met Bill on my very first call with the department in 1985. He was an Engineman at Lake Shore at the time. It was always a pleasure to work with him over the next 10 years. My condolences. Rest easy now, Brother.
