“ *Many years ago, I had the good fortune to lovingly know the Walls Family, as my family was very close with them, spending, certainly, an evening with them over the Christmas season. It was such fun, sharing laughter and wonderful good cheer. In addition, we were able to see the family at various times through the earlier years, as Craig's and Colleen's parents and my parents always found some kind of reason to get-together. Consequently, those have become cherished memories.....*

*I/we have been so blessed to continue seeing his sister, Colleen, through the years, as she and my sister are forever friends, as I am as well.*

*We have met Colleen's and Rick's beautiful children, Kelsey and Jake, and are the benefactors of knowing them and learning about their lives.*

*Both of Craig's niece and nephew lead very productive and busy lives and, yet, they have both chosen to accompany their mother here to Easton, a true offering of love and support.*

*My family, Colleen, Kelsey and Jake have had such wonderful conversations and the sharing of Craig's pictures, at various stages in his life.*

*As I had mentioned to his sister, that while writing her a note of thoughts, I noticed the beautiful full moon; I will think of Craig and his sister's loving family each time as I look in the sky and see that lovely full moon.*

*With love.....Bae*

“ Craig, I will always remember you for your incredible intellect and your gentle demeanor .You always seemed to me a younger version of our beloved "Uncle Chuck", and anyone who knew Uncle Chuck knows that that is one of the highest compliments that I could give you. I cannot remember ever seeing you without a smile on your face. Craig, rest in peace knowing that you were very loved, and that we will all meet up again..on the other side.....
