“ *My fondest memories of Charlie Mae were watching the interactions of her and my mother (Charlie's sister, Lucille) during her visits to Indiana. She will be missed by all that knew her. Our apologies for not being able to make it to the service. - Joe and Barb Milton*

“ *My sympathies on your loss. Charlie was a great person to know. I worked with her years ago at Henry B. Myers Co. in Annapolis. She showed me how to wrap a Christmas present, (back in those days companys did that sort of thing for free). Eddie, I remember you from playing touch football in West Annapolis. I'm soory about the loss of your mother. God Bless*

“ *Please accept my heartfelt sympathies in the loss of your dear loved one. How comforting in knowing Almighty God has not only the power but also the desire to resurrect our loved ones. Jesus himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." John 5:28,29*

“ *My heart goes out to Charlies family and princess I know she will terribly missed. It will be hard for me to ride by her house and not stop , old habits are hard to break. I will truely miss seeing her and princess the 3 times a week when I would come with her food, she was like my family and I looked forward to seeing her. May she rest in peace and keep a watchful eye over all of us. We will meet again someday.*
