“ Dear Carol and Family, I am so very sorry for your loss. We all loved Aunt Charlotte. Because of her and Uncle John we all feel related to the Eastern Shore - Easton, Trappe. the Choptank River and Salisbury!!! We city folks are all very fortunate to have such wonderful "country" memories . Love, Maureen

“ My love and condolences to Carol and family. You were all so precious to her. I have to say I always thought she was indestructable. I think that's because "Kel" always thought she was from "hardy stock." She was certainly one of a kind. As Anne points out, we all have so many fond childhood memories thanks to Uncle John and Aunt Charlotte. Those Betts memories are dear to us all.

“ I want to convey my deepest condolences to Carol and her family on the loss of your Mom and Grandmother. She was certainly blessed with a long and full life. I have many pleasant memories of my childhood and visiting down on the Choptank. Spending time there with Carol and we would walk the lane from your house to the Penn's. Some of my fondest memories were spent with U. John and A.Charlotte and Carol. She will truly be missed by many.

“ I enjoyed going to Uncle John and Aunt Charlotte's house on the Choptank as a child. Charlotte was a wonderful person who always made me feel right at home. She always had nice things to say about everyone and was a joy to be around. We are all the better for knowing her and having her in our lives. She will always live in my heart.
