“ *Dear Cessna Family: I read about the loss of Mrs. Cessna in the obituary today and I wanted to extend my sympathy. As humans we want to live, and we want to enjoy life with those we love, it is only natural that we yearn to see our dead loved ones again, so it's comforting to know that the Bible teaches that most people who have died will be resurrected. The Bible promises this at John 5:28,29 which in part reads: " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life,". Your family will be in my prayers, my sincere condolences.*
