I am sorry to hear of your loss. May you be comforted knowing God is near to those that are broken at heart; and those who are crushed in spirit he saves. (Psalm 34:18)

I have so many memories of Charlotte (aka Little Lotta) that I don't know where to start. She was one year behind her sister, Marilyn and I, in school, but she was one of our group. Always hanging out with Marilyn, Judilea, and I, along with her friend Patsy and many others. We had such fun together. Always sweet and always trying to keep the rest of us out of trouble if she didn't approve. Over the years our paths went in different directions - Even though I hadn't seen her in years, I still considered her a true friend. She is now with her husband that she adored. I will always think of her with fond memories. RIP Charlotte - until we meet again. . .

I'm so sad to hear of Charlotte's passing. I heard she wasn't doing well. My memories of her and my sister Pat's friends are at the top of my list. She was so smart but rarely had to study and was always at the top of her classes. She was so sweet. During Sherwood she and Pat's other girlfriends would spent a lot of time at our house. It wasn't unusual to come home on a weekend night to fine a houseful of her friends including Charlotte sleeping over. I treated them as my other sisters. To us boy's she was "Lots of Little Lotte." We all ran around as friends no romance just having fun. It was so special then and in my memories it still is. I'll always cherish those times.
