Charmayne was an amazing person. It was our pleasure to have met her as she was a considerate person who actually cared about everyone she met. I just loved getting her daily emails as she always wanted to pass along a funny story or an item that was of interest. Bless her as she will always have a place in our heart.

“ I miss Miss Charmayne a lot. What a wonderful, classy woman! She had a heart of gold and sincerely cared about people. Her son, Robert has been such a wonderful caregiver to his mother. He is one of a kind and I know his heart is broken, even though he saw his Mom struggle the last few years. She is in heaven looking down on Robert and Lillian and her grandchildren. She always had kind words for me and others she talked too. She and Mr. Frank are hugging each other right now on heaven. What generous people both of them were.

You don't know me, I became aquatinted with Charmayne though her group Mother's with daughters with breast cancer. I lived in Las Vegas at the time but even though I never met her she was like a lifeline for me when my daughter got cancer. It's been over twenty years since we exchanged emails but I will always remember her kindness when I was in need. 💕 Fondly, Kathie Jacobs

Mrs. Charmayne was a lady in every sense of the word. She was always dressed picture perfect - even the few times I saw her at the farm with my dad, and she was dressed in slacks. She had the voice of an angel. I remembered her when I was young, but we became friends later when I began working in the Breast Cancer program at the health department. Her extensive knowledge was always welcomed. Prayers for Robert and Lillian and the rest of the family. She is singing with the angels!

“ Heartfelt condolences to my cousins Robert and Lillian and their families on the loss of Aunt Charmayne. My childhood recollections of Christmas visits and shared holidays at grandparents and farm pond fishing at Heart's Desire Farm are fond memories. Attending the professional concerts of Aunt Charmayne singing and Robert on the trumpet were most fitting of such a classy lady. I always appreciated her gentle spirit and kindness towards me, my wife and daughter. Her love, advocacy and encouragement for her family could not be overestimated. I recall her petite frame but incredible strength and shoulders broad enough for the next generation to stand on. Loss is so hard, but how blessed to have the heritage and legacy of a beautiful mother with integrity and character. My prayers are with you. May God bless and comfort you all. Wilkins

“ Robert and Lillian, Many fond memories of our families spending time together. Good time playing together as our parents visited with each other. Your mom sharing her sewing skills with me is a favorite memory . You are in my thoughts and prayers during this sad time.
