“ Chelsea, I won't be able to say goodbye at your memorial service so I will say it here. Thank you for making ballet even more enjoyable. During the toughest moments when we were in trouble, I would hear your giggling in the background. You always knew how to make people smile. Your smile and giggles will stay with me. I am praying for your family. May your children know the love you have for them and grow up to be strong. I'm praying for comfort and peace for all your family. Take care Chelsea, you are so missed!
