“ My wife, Toni Malick, her daughter Ashley Malick, and Ashley's 4 year old daughter Londyn, and myself Lou Faulx would like to let you know that Cheryl has been in our prayers ever since she let us know about her battle with cancer. We would like to extend our sincerest thoughts of knowing your mother is at peace and not alone.

We were neighbors since our moving into Golfview in 2007. We live on the same cul-de-sac. Charles Place as your mother and 2 sons. We all spent time together sharing stories about our jobs, family, and much more points of interest. I loved the fact that your mother spoke her mind. I think that is a great quality to have. That is just one of the many qualities that made up your mother's personality. She is missed and will always be remembered even as the days turn into months and the months turn into years. She will be remembered.

“ We have only known Cheryl for a short time as we are newcomers to Golfview Plantation's Charles Place. But over these 20 months we have enjoyed talking with her and getting to know her at our picnic get-togethers. Seeing her flowers and rose bushes from across the street, tells us just how much she loved gardening. Though her presence will be sorely missed on our cul-de-sac she will not be forgotten. We are so sorry that you have lost your mother and grandmother, but may it comfort you that she is no longer suffering from cancer and is now enjoying God's beautiful gardens in Heaven. May God bless you and give you strength to get through this time of grief.
