“ *We will all greatly miss Christian. So many nice memories he gave us while at the Warwick River Cafe. Christian would always stop whatever he was doing to talk and spend a little extra time with all of us, but especially when our girls would visit. They loved it when he rewarded them with ice cream (and sprinkles) for good grades they had earned. The only thing they loved more was the attention he would give them. Nothing made them happier than seeing Christian and Missy. He/They always treated us with courtesy, love and respect. Christian proved over and over what a fine man and person he was. He will always have a special place in all of our hearts.*

“ I have known Chris since he was 16 and at 18 yrs.old, he came to live with me and my son Wesley, and was family. I just had another son and I loved him with all my heart. Life hadn't always been fair for him but he learned to deal with life. He was so loving and caring and the best daddy he could be. He worked hard and sometimes lived hard, but he would always bounce back. He loved his children and Melissa with all his heart. I know Melissa was the best thing that happened for him in a long time and had hoped that they would be together forever. But his life was taken way to soon and I'll miss him everyday for the rest of my life. The only comfort in all this is I know he's with his Mom and Nana in Heaven and He's content now! He may not of been blood but he was a part of my family and will love and miss him forever. I Love You Son. Your Mama

He loved you so much. He always talked about Mama D. My heart breaks for all who loved him!

“ Christian you will be missed by so many the memories of laughing with you till it hurt at the cafe will be with me forever. The fun and joy you brought to many was a real gift. The love you and missy had together was so real. My heart breaks for her right now, when you left I know it took a big part of her with you. Time does heal but the love never goes . You were soul mates and that connection never dies . For now you will be missed until we can see you again in heaven . When we all hit the pearly gate we will be wearing our depends because I know you will have us all laughing till we pee. I hope with all my heart you find peace and unconditional love where you are .

“ *Christian was a part of our family for years. He's brought so much laughter and love to all of us. My children adored him, anytime they saw him it was all playing and snacks (even when I told him no ;)) He had a sense of humor that could have you peeing your pants or develop a six pack from laughing so hard. He cared about everyone. He may not have been a perfect man, but he was a man. Human. He loved his children with every breath he took. He loved his family, he loved us all. We will always love and miss him. We will always cherish the time we had with him. Love you Always Christian Mace Trippett!!*

“ *You were an amazing brother. We had some great times together. I'll miss your big goofy smile, laugh and your ridiculous jokes. Even when things were not great, you made jokes to lighten the mood. We were so much alike big brudder. I love you so much. I'll forever and always be your little sidder. Rest easy with momma and nana and everyone else in heaven. Til we meet again*
