

Christopher Francis Drummond

July 21, 1954 - March 16, 2024

It is with great sadness and much love that the family of Christopher F. Drummond of Queenstown, MD, announces his passing on March 16, 2024, due to a heart attack while doing something he loved — cycling.

Chris was born in London, England, on July 21, 1954, to the late Anthony Drummond and the late Dorothy Drummond Parker. He immigrated with his parents in 1955 and during his childhood he lived in Fort Worth, TX; Norfolk, VA; Wheaton, MD; and Annapolis, MD.

He graduated cum laude from the University of Maryland in 1976 and the University of Maryland School of Law in 1980 with honors. He passed the bar exam and was admitted to legal practice in 1980. He was an associate at an Annapolis law firm before he opened his practice in 1983 in Centreville, MD. He represented a broad range of individual, corporate, and local government clients. Chris was an Assistant State's Attorney in Queen Anne's County for several years and successfully prosecuted many felony cases. He represented Queen Anne's County Planning Commission and the Department of Planning and Zoning since 1988, and several towns on the Eastern Shore were also his clients. Throughout his legal career, Chris always did his best to remember that compromise and common sense produce the best results in difficult cases.

Chris was the quintessential family man. He was a loving and caring father who was very proud of his children. He offered them support and steady guidance to help them navigate through life and achieve their goals. He and his wife Cindy were true partners as they navigated tough times and celebrated the good times throughout their marriage. Also, as a dedicated husband of 35 years, he would do anything for Cindy from building her a “she shed” to championing her in the pursuit of achieving her master’s degree.

An avid boater, Chris sailed to Bermuda, traveled the ICW, and found most of the creeks and coves of the Chesapeake Bay. Taking after his father, he became very handy and did much of the construction work on his home himself. He also recently had become an avid bicyclist enjoying riding along the rural roads of the Eastern Shore.

Chris is survived by his wife Cindy and his children: Ian (Shannon) of Copenhagen, Denmark; and Mallory (Benen) of Falls Church, VA. His siblings also survive him: Susan Vianna of Chester, MD; Colin Drummond (Kathleen) of Maple Glen, PA; Alison Wilson (Craig) of Charlottesville, VA; and his brother-in-law Charlie Mead, Chester, MD. He is also survived by his father-in-law James E. “Ed” Wignall (Sandy); his sisters-in-law Joanne Bullock (Donald) of Harrington, DE, and Bonnie Jackson (Gary) of Stevensville, MD; and his brothers-in-law Robert Ridgeway (Kristin) of Marco Island, FL, and Donald Tasker III of Cocoa, FL. He also leaves behind many nieces, nephews, grandnieces, and grandnephews.

He is preceded in death by his daughter Katherine, his parents, his sister Barbara Mead, and his sister-in-law Janet Wignall.

A memorial service will be held on March 27, 2024, at St. Christopher’s Catholic Church in Chester, MD, at 10:00 am. A private burial will be held immediately after the service.

In lieu of flowers, the family kindly asks that you consider making a memorial donation to BasenjiRescue.org or Queen Anne's County Animal Services.

“ My wife, Terry, and I were introduced to Chris in 1994. He was our lawyer in a case. He was an excellent attorney. We got to know him quite well outside the case. He was a great human being. Mike Walden

“ I was so saddened by the passing of Chris. I got to know him when I was a past employee of Q. A. Cty. Dept. of Planning & Zoning and past clerk fo the Q. A. Cty. Planning Commission when he was their attorney. Really a nice guy. Such a shock to me. Blessings to his family and may he rest in peace.

“ Today’s service reminded me of Chris’ dry sense of humor. We worked together in my Annapolis law firm before he went to Queen Anne’s County. Our law firm opened a Queen Anne’s County office that Chris headed for some time before leaving our law firm to open his own law office. Years later, he and I litigated a case against each other. Chris was always smart, unique, and a valued colleague. It is a shame that he is no longer with us.

“ I was lucky enough to know and love Mr. Drummond through my best friend Mallory. Over the last 25 years, I grew to know him not just as Mallory’s father, but as a man I’ve looked up to and as family of my own. His witty humor and patience with our many shenanigans made him not just enjoyable to be around, but a fun person to joke with over the years. All my memories with him on all his boats, at their house in the summer watching him clean the pool over and over, pranking him nonstop with jokes- his scoff and easygoing attitude made us kids continue to try to get a rise out of him, and we never did! One of my favorite memories is him teaching me how to drive a stick in his Acura and stalling out in the middle of Ocean City with cars beeping and zooming by us. He kept his composure as he was telling me to clutch and shift and I just could NOT handle it! Classic Sprinks to keep his cool in the middle of a teenage crisis.

Something I always noted when we were little was that he loved his chair and I think it was his favorite place to digress after a long day at the office, a glass of Dewars in hand. I’ll never look at a lazy boy chair again without thinking of you Mr. Drummond and to be honest, you’ve always come to my mind when I see one anyway. You are leaving behind a strong and beautiful family who will miss you dearly, but will be comforted in knowing that they get to keep all their memories with you close to their heart. I love you and will see you again someday ❤️

“ We met Chris and Cindy through our daughters, Mallory and Lauren- the start of a beautiful friendship. We have spent countless hours, days, and weekends together. Our family and friends meshed as one. We have celebrated first communions, birthdays, family events, funerals and holiday parties. But the boating weekends were some of the best times!

Chris sold Pete and I our first boat, The Wellcraft! I remember he took Pete out on a crash course for boating and said '.. here you go, it's easy!' 😊 We loved it so much we upgraded and had so many great summer adventures with Chris and Cindy, the Buniskis, the Duncans, and the Yovienne's.

Chris's laugh always lit up a room. He was smart, funny, and always had some offhanded comment to make through his dry sense of humor.

We loved and made fun of his wrinkled and stained suits, shirts and no socks..Chris would just shrug his shoulders and hold his head high- he was always that confident. We often wondered if the judges were like, "Christopher Drummond can you please iron your shirts?!"

His quiet strength, laugh, and stories will be missed by so many... Mr Drummond, as I fondly called him, Thank-you for all the good-times, bad-times, cries and laughs. Our memories will keep you close to our hearts. We are blessed to be able to call you a Friend. Rest in Peace Friend, we will see you on the flip side...

Love- Pete, Barb, Lauren, Peter and Sarah
