“ Erin I’m so so so sorry for your loss. You are a great mom and you always put your kids first, your sons were so little when we worked together and you were pregnant with your beautiful daughter. I can’t imagine the pain you are feeling right now. I hope you and your family get the justice your son deserves. My prayers are with you and your family!!

Chris as a child was always curious about how things worked on the water. He was always around to help bait lines. Even as he got older he came to work on the boat with us. Will miss so much. Never forget that beautiful smile. RIP Chris
