“ *My favorite memory of Mrs Claire is sitting & talking at the picnic tables or on the back porch while Peso grazed on the dandelion blooms. I will sincerely miss those talks. Mrs. Claire touched my life and my heart.*

*To Pam....My heart and love goes out to you and the family. As heartbreaking as this loss is, through my tears, I find myself rejoicing that Mrs. Claire is no longer in pain and is now enjoying a sweet reunion in Heaven with family gone on before her and she is experiencing the living embrace of God.*

*I wish you all a peace and many wonderful memories to warm your hearts through the days, weeks, months & years to come.*

*Love,*

*So sorry about your Mom, she was a special lady and we always enjoyed chatting with her when she was "gardening and riding her little car" around the farm.##imported-begin##Joyce Benton & Vanna Green##imported-end##*
