“ Aunt Pam and Uncle Barrett

*We were deeply saddened to hear of Grandma’s passing. Please accept our heartfelt condolences and deepest sympathy during this time of loss. Grandma was truly a remarkable woman—her warmth, grace, and boundless kindness left a lasting impression on all of us. It was a profound blessing to have her as part of our lives.*

*Throughout my undergraduate years in the United States, Grandma became more than a guardian—she was our guiding light, a source of comfort and wisdom who embraced me with a love that knew no bounds. We will always hold close the precious memories we shared with her—especially our last visit in 2022. The joy on her face when I surprised her of my visit, the rich warmth of her chocolate lava dessert, and the birthday coconut cake she made with such care are memories I will forever cherish.*

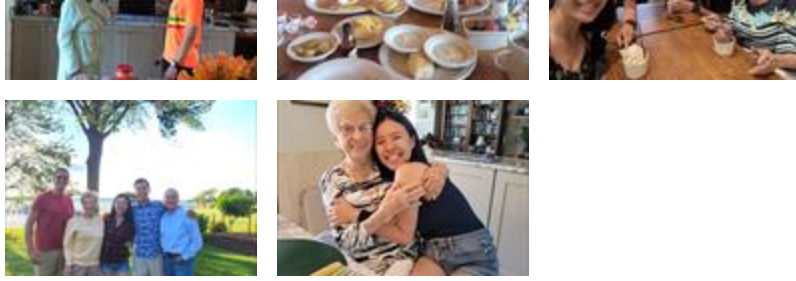

*We are also so grateful for the closeness we share with both Aunt Pam and Uncle Barrett. Your kindness, generosity, and the way you welcomed us into your lives have meant more than words can express. Irene and I both feel incredibly blessed to have you as part of our extended family.*

*Though we mourn the loss of such an extraordinary woman, we take comfort in knowing that Grandma’s legacy lives on in the love she gave, the values she taught, and the many lives she touched. Her spirit will continue to inspire us.*

*Please know that you are in our thoughts and prayers. We are holding you in our hearts and sending you strength and love during this difficult time.*

*With deepest sympathy and love,  
Chan, Irene, Baby Louann and Family*
