“ *Corey I will always remember when you were little, (the cutest little redhead) you would always come to me with your hands up and point to the the tree outside grandmas door in bay city and say I see birds in the tree. You loved that. You went through some things as did I but we both came out the other side and for that I was so proud of you and the man you became. I know we didn't see each other much but I was very proud of you. CJ will always remember his dad, your mom and Kat will make sure of that. I love you cousin and will miss you dearly.*

“ Corey. I am in shock. After all the rough times and all the fun times we have been through together you your mom Jocelyn and me and Tank I think often of our very slow broil down Rainbow River that you and your friend saved us from by pulling our rafts along to keep us moving. It was a joy to be part of your life growing up and a joy to see you become a man a husband and a father. I could see what a great dad you are and I know you are well loved and will be missed terribly by all who knew you. My prayers go out to your Mom, your wife and your son. He will grow up knowing what an amazing person you are RIP and watch over your son. All my love. Laura
