“ *I just found out about my friend Rindy, many years have past since I have seen you but each time we saw each other it was as if no time had passed. You were a great friend to me when we were in school and I will always cherish the time we shared together. Your entire family was an important part of my life. DJ and MAMA Kay always treated me as one of their own. I will keep all of the family in my heart and prayers. Love you all!!!!!!

“ I always enjoyed having you come to the house to play with the twins. You were a delightful child. Your Mother and I use to spend as time together as we could and I always loved our time together. She loved her children. My heart goes out to you and Charlie and your children, who have lost a precious part of their lives way to soon. Rindy will be missed in every moment of every day but remembered in the hearts and minds of those who loved her, forever. Remember that I am here for you if you ever need me.

“ For the Coleman Family and extended family; My heart felt condolences go out to all of you, as i know all to well that Rindy's life filled all that touched her with, love, lessons, character and all around genuine care and concern for one another. My earliest childhood has memories of such which included Rindy, Bubby, Dawn, your Parents Mr. Jimmy and Ms. Kay. (not to exclude the others, Ya'll were either way young, or just not born yet) :-) God bless your family, We truely dont know where our souls end up after our heart stops, although we have our thoughts and hopes on the topic. My prayer is that Rindy and Dawn along with Ms. Kay and Mr. Jimmy can all sit to the dinner table or walk a meadow full of flowers and a light breeze. as they share the joy each shared in your families lives. Again, God Bless each of you.
