

Craig Edward Tucker

September 6, 1971 - November 12, 2020

Craig Edward Tucker, age 49, passed away of a heart attack on November 12, 2020, in West Virginia while surrounded by his family.

The son of Dennis E. And Rosanna L. Tucker, Craig was born on September 6, 1971, in Washington, DC. Craig was a 1989 graduate of La Plata High School and a 1995 graduate of the U.A. Local 602 Steamfitters Apprenticeship Program. He then went on to spend 25 years of his 30-year career with A.M.S. of Maryland. Craig's hobbies were anything that included his family. He was his happiest next to the ones he loved. However, we would be remiss if we didn't mention his ridiculous pranks and uncanny ability to make the people around him laugh.

Craig is survived by his wife of 28 years, Jennifer Tucker (his best friend); their children, Cole Tucker, son his wife Kelsie, Jordan Tucker, daughter, and Carson Tucker, son; his grandson, Rhett Tucker (his pride and joy), son of Cole and Kelsie; parents, Dennis and Rosanna Tucker; brother, Todd Tucker and his wife Michelle; niece, Hannah Tucker; and nephews, Ben Tucker and Hunter Bahr, as well as the families beloved dog, Abby Tucker.

Words on paper could never amount to the legacy Craig leaves behind. His larger than life personality touched more lives than he could ever imagine. Craig's ability to fill a room with laughter will be remembered with each

passing day. The void that he leaves behind is impossible to fill, but the memories will sustain his loved ones until they meet again.

Memorial visitations will be held on Friday, November 20, from 2:00pm – 4:00pm and 6:00pm – 8:00pm at the Fellows, Helfenbein & Newnam Funeral Home, P.A. in Centreville, MD.

In lieu of flowers, the family would appreciate a written memory or sentiment of Craig brought to his service.

“ Craig, you were a great friend while we were growing up in ‘ol Charles County and I miss all the fun times we had driving to school, going to parties and chasing girls. Even though we lost touch, I was comforted by reading your obituary and knowing you had a wonderful family along with your parents and Todd. Rest In Peace brother, I’ll miss you. Sincerely, Lieutenant Colonel Chip Poole, US Army.

Craig - I am so hurt to hear of your passing. I loved when you were at our house. You & Chip were so funny together. I enjoyed hearing about your life when my friend & colleague Jim Rodenhaver made the connection between us. He told me about your lovely family. I am so happy you were lucky to have that. You always made us feel fortunate to know you. I wish your wife & family peace. Grief hurts. You will be missed by so many. Love you!

“ Jennifer,

I am So very sorry for you loss. I worked with Craig all the way back to the HRE days. He was one of the friendliest people I have worked with in over 32 years and had a Great sense of humor that always made me laugh. He always went out of his way to help me. We talked many times about having kids away at college.

Everyone will miss him very much.

“ *Jennifer and Family,
I cant begin to tell you how much Craig will be missed her at AMS. Its never going to be the same without being able to walk by his office and say Hey Tuck.. We had a lot of good times and yes he certainly was witty and always had a comeback no matter what you said. He told me one day that he hated my new shoes and said they looked stupid. A couple of weeks later he said he owed me an apology. I asked him why and he said he just bought a pair just like mine and loved them..That's the way it was with him. I will miss him dearly and he will not be replaced. Our prayers are with you all and stay strong as that would be what he would want.*

“ *Jennifer & family,*
So sorry for your loss. Craig & I were Local 602 Apprentices together while working with the WM Schlosser Company in 1991 (also 1995 graduates). Will never working in NIH Building 49 basement on a 30' scissor lift installing 1 1/8" drop-ins in the ceiling. We would take turns drilling the holes and work together setting the pin. We would alternate holding the set tool while other one would swing the 3 pound no-bounce hammer. We were so proud when we got 10 shields done in a day. Will always remember his quick witted humor and pranks he would pull on the welders and mechanics. May god provide comfort and peace to entire family.

RIP my brother.

Jennifer & kids - I will miss Craig announcing to Dave, as he walked passed my doorway "going with Hoover to eat salads".
