“ *OMG, just saw this - almost a year later. I am Henry Peacock's Daughter and used to live in the Strawberry Factory. Rip was a dear friend and Cindy soon became one as well. I will always remember her as not only a great friend, but also as a sweet and loving soul! Lee, I'm glad that you had time with her that you did and that you loved her just as she wanted to be loved! It's pretty obvious from the pictures here, that you were both happy together and proud parents as well! Sending my regrets to you and yours along with a big hug for Cindy....So sorry...*

“ We have lost the dearest, brightest soul. I remember Cindy as a barefoot tomboy in Gratitude; a lovely young lady when she stayed with us in Fort Lauderdale; A valued crew member in The Big Eagle; a beautiful bride the day she married Lee; an ecstatic new mother when Chris was born. Always cheerful, laughing, fun, but hard working and competent too. Gone way too soon. God bless you and keep you, and may he extend his grace to all of us who will miss you so, so much.
