“*She Lived She Died*”: On the last day of our visit this was mom’s request for her obituary, her typical Maine dry sense of humor. This humor kept us laughing until her final hours. She was the matriarch of the family and led as a great role model for us all. She was a loving wife, a caring mother, a mischievous grandmother (even riding with her granddaughter in the trunk of the car) and a doting great-grandmother, She was a friend to many and a nurse at heart (caring for her hospital roommate during her last stay). We will dearly miss her at family gatherings, our lengthy phone calls, Words with Friend wars, and her Facebook interactions. She was always willing to provide a attentive listening ear whenever needed.
