“ *I am sending my condolences to you Peter, Glen, Carolyn and your families as you say good bye to your wonderful Dad. I am also praising God for the long life of a very special cousin who was compassionate, wise, generous, humble and kind. He helped my family in a major way. He loved to chat and reminisce over family events of the past as we were both born in the same village in England. He loved his family dearly and always had a broad smile for everyone. He also loved his Lord, I look forward to seeing that smile again and many more talks in the future when Jesus comes. Jean Baerg, Wayne and Garth.*
