“ Aunt Daisy, You were a lovely flower like no other. You had your special way of making each niece and nephew feel so loved. We could always count on you rather it was a beautiful smile when you entered the room, the Christmas card you would always mail or the special way you were always involved in our life. My biggest memory is our trip to Florida with Aunt Rose and Carl in the motorhome. Go rest now. I know your parents and Uncle Eddie were waiting at those pearly gates of heaven for you. We will take care of Bill and the rest of your family. We love you and you're missed so much already. ❤️
