“ For you, there'll be no more crying,  
For you, the sun will be shining,  
And I feel that when I'm with you,  
It's alright, I know it's right

To you, I'll give the world  
To you, I'll never be cold  
'Cause I feel that when I'm with you,  
It's alright, I know it's right.

And the songbirds are singing,  
Like they know the score,  
And I love you, I love you, I love you,  
Like never before.

And I wish you all the love in the world,  
But most of all, I wish it from myself.

And the songbirds keep singing,  
Like they know the score,  
And I love you, I love you, I love you,  
Like never before, like never before.

“ We visited you on Monday, your birthday. It was pretty tough to swallow. I really hope you feel better now. Watching you so sick has been one of the two most devastating moments of my life. Richards birthday party is this weekend, I'm going to take him a picture framed of the two of you. The grand babies really miss you...we all do. I'd pay to hear you try to say "oil" one more time! I don't think we ever laughed harder than that day! I miss you, you goofy bitch....you and that "wha happun" face you always gave me. Talk to ya soon.

“ Our beloved Dale, From all of the members of ABATE of Maryland blessings to you and although you have left us too soon we know that you are in a beautiful peaceful place. No more pain or tears. You were such a loyal caring member of our family for a long time, you always went above and beyond the call in the office; taking care of ABATE business even when you should have been home resting. Your dedication to Freedom and motorcyclist rights was unwavering and you will be remembered always as a "Freedom Fighter" in the ABATE of Maryland family. Through the ups and downs, changes and many extra tasks that were asked of you, there was always the "we can do this together" attitude. The motorcycle riders in the state of Maryland, though you could not know all of them nor they you; owe you a debt of gratitude. These few words at this time cannot express how much you will be missed. We hope that from your new home above you will receive our prayers and thanks for being part of our family. Along with Marty and most recently Ward and so many others you have joined the ranks of our "Guardian Angel Road Captain" as we travel on our motorcycles, 'til we meet again. Our love and prayers, Linda Wainer on behalf of your ABATE family

“ Ms. Dale, you are going to be forever missed by the ones who knew and truly loved you. I wish that there were many more memories we could have made together as we made our little family here. You were such a loving and caring person who would do anything for someone. I still see you sitting on your chase in the living room combing out the cats furs every night. You would sit here until you couldn't keep your eyes open but you made sure that your cats had no fleas. I remember one night I came out here and you had fell asleep combing for fleas you woke up and were so shocked that you no longer had "Bob-Bob" in your lap. You said that's what you got for falling asleep. To many this may seem strange, but those who knew Dale know that she loved her 10 cats and her dog Biddle with every inch of her body. I know you are looking down on the ones you loved and will be with us when we need you most. One day we will see each other in the Kingdom of Heaven but until then know that we love and miss you and will always cherish the "Family" we had here with you. You are forever loved and missed.  
Love Always  
Mike, Denise and little Mikey

“ Dale was staying with me at my house for a while and I had gone to work. I thought she was just hanging out taking it easy when I got a frantic phone call. "Rob!" she exclaimed, her voice high and panicked, "There's a big %#\$@& rat in your house! I hate rats! You gotta come home right away and get rid of it!" I had to think about that one for a minute. I don't like rats either but why would a seeing a rodent cause such panic? "I mean it!" she yelled. So I went home and as I came into the house, there she was holding onto my new John Perry tennis racket like it was a base ball bat. She was wielding it like she was going to smack that rat (that I could not find) into next week. "Look under the sofa!" she directed me. "You flush him out and I'll smack 'em in the head". With each word she was gripping the handle of the tennis racket, brandishing it like she was a Baltimore Orioles batter getting ready to hit a home run. I started feeling sorry for the rat. I moved the sofa, didn't see anything. I moved the chair. Didn't see anything. "LOOK!!" she screamed suddenly. "There it is!!" I spun around and I DID see a long skinny bald tail slip under the sofa. "OK hang on" I told her. I pulled the sofa back again and there it was. "See" she said triumphantly, "kick it out here and I'll fix 'em" she gloated, nodding her head, "Come on, I'm ready!" I reached down, smiling, and picked it up, held it like a puppy and showed it to her. "It's not a rat" I said. "I know a %#\$& rat when I see one!" she insisted. I held the creature up. It was a baby possum. She smiled. "See, I told you. I know what a rat looks like! Now put 'em down. I got this" Dear Dale, I hope there aren't any rats or baby possums where you have gone to. We may not always have seen eye to eye about things, but you are my sis..... even if you can't tell the difference between a rodent and a marsupial.

“ *I am so sorry for your loss. "If a man die, shall he live again?" asked Job a long time ago. Perhaps you, too, wondered about this. Well the Bible makes the promise: "Your dead ones will live...they will rise up" Isaiah 26:19. And the Bible also says: the righteous ones will reside forever upon the earth. So yes, soon you may be reunited with your loved one again, possible right here on earth. Please find comfort from these facts during your time of need. Please visit [www.jw.org](http://www.jw.org)*
