

Dana Therese Deguzman Poole

November 18, 1960 - June 3, 2021

Dana Therese Deguzman Poole of Douglassville, PA, passed away on June 3, 2021. She was 60 years old.

Born on November 18, 1960, in Tarlac, Philippines, she was the daughter of Rodolfo Deguzman and Geraldine Andrukite Deguzman.

Dana's happiest moments were with her husband, Randy. The two of them loved camping, boating and traveling. If Randy wanted to whimsically get away for the weekend and told Dana on a Wednesday evening she would start planning immediately and, most likely, had 3 lists, meals planned, reservations made, and bags packed before he woke up on Thursday morning. Dana was also a "master shopper." If she purchased something it was always in pairs and, usually, one was given away to someone she loved. She currently has all of her Christmas shopping done for Christmas 2021, and possibly, future years. Their many excursions were only made better if family members were able to join them on their adventures. Dana didn't just have family, she connected with her family and was the glue that bound everyone together.

She is survived by her siblings: brother Gary, his wife Christina and their children, Jeremy & Richelle, her brother Mark, his wife, Cindy, and their children Nathan, Alec, and Jared; her brother, Neil; her mother, Geri, and her

father-in-law, Lawrence Poole. She adored her stepchildren: Kelly, her husband, Mike; Kim, her husband, Nate; and Randy, Jr. and his wife Amber. She was also an amazing Nana to her seven grandchildren and one great grandchild: Gabrielle, Madison, Tabitha, Caleb, Blake, Hunter, Jade and Andrea. She is predeceased by her father, Rudy Deguzman, and her mother-in-law, Margaret Poole.

Dana also enjoyed, and took great pride, in her work at Jacobs Engineering and the many friends that she made there.

There will be an outdoor, casual memorial service and celebration of life on Saturday, July 10th at 3:00 pm at the home of Mark and Cynthia Deguzman: 30151 Pahlmans Way, Queen Anne, MD 21657. In lieu of flowers, please bring your favorite photos and memories of Dana to share.

“ *I miss you so much right now Aunt Dana. You would have been 61 this month and here celebrating Thanksgiving with our family. It would probably amuse you to know that I paid \$120.00 to get two tiny Corropolese tomato pies delivered to our house this year and have since transitioned to eating canned boiled peanuts from Walmart! I wish you were here to see the beautiful ring that Alex gave me when he proposed last month - it was almost exactly a year ago that you and I went antique shopping and talked about when that day would come - you reminded me to be patient, which was not always the case :)*

I love you - until we meet again <3

“ I met Dana and Randy in the 80's @ Limerick Power Plant. I remember all of us @ Lizzy Lincoln's Haunted House on Halloween and one of the "actors" kept chasing her, I think Randy took his prop and we passed down the line, he had a fit, the best❤️

“ Sending condolences and prayers to Dana's family. I'm so sorry for your loss. I worked with Dana at Jacobs Engineering, she sat across from me in the Document Control group. Dana always had a smile and was a joy to work with. She loved to talk about her family and how much she loved them, her shopping trips and her travels with Randy in their camper and in their boat. She would often show us photos that she had taken after her adventures. Dana loved Christmas and was the first one to have her desk decorated in our area, she loved to have Christmas songs on the radio and she loved to sing along with them. She would always tell us about the baking she was doing at Thanksgiving and Christmas and how much her family loved her cookies. Dana, we miss you so much! I will think of the happiest times when I think of you.

“ Dana was my first friend here at work. She always had a smile & a warm good morning. She always talked about her family & how much she loved her husband & the kids & grandkids & how special they were. She talked about her brothers & her parents. She talked about boating & camping & vacationing & pirates weekend. She always remembered the little people at the office & brought in baked goodies for them. She was the only one to ever help me decorate the Christmas tree at work. We had so many laughs & I am so sad that she is gone. Dana listened to me vent when work & life was stressful & she was so supportive. Such a huge loss, she is missed already.

“ Dana and I worked together for a few years at Jacob Engineering in Conshohocken. When I first met Dana she was the Administrative Assistant to the Field Services Group. We only sat one row from one another and usually met up at the printer picking up documents. What I remember and admired the most about her was her ability to laugh a lot off, she always had a smile coming and going from work. I never saw her in a bad mood, ever. She and I would chat usually about work but as we worked together and near one another we became friendly.

I was saddened to have learned of the news of Dana’s passing. However, how I plan to remember my friend is a snails and a kind heart.

Peace Be With Dana

My prayers are with Dana’s entire family during this difficult time.

“ *I cannot believe Dana has passed. I'm so sorry for all the family. And Randy, especially Randy! Billy & I are thinking of you often. When we think of Dana, we can see that big smile on her face and hear her unique wonderful laugh. I'll never forget when I was in my early 20's and we would all meet at the Do-Ho. At the time, I was learning my tolerance and discovered that I could NOT handle shots. I had fallen asleep in the bathroom stall and locked myself in. Dana came to check on me and realized I couldn't get myself out, so she busted down the stall door with the kick of her heeled boot and rescued me. I remember mumbling that she was like a superhero. And I will forever remember her as my superhero. ❤️*

Dana, you are such an amazing woman. I enjoyed our talks in the morning before our work day started. You always wore a smile and had such a big heart. I sent you private messages on Facebook almost every day when I found out you were sick. I wanted you to know how much I was praying for you. You were always on my mind and in my heart. You will truly be missed and you will never be forgotten. R.I.P. Dana xoxoxoxo
