

Daniel Patrick Dullea

March 17, 1955 - December 7, 2015

Daniel Patrick Dullea of Queenstown, MD, passed away suddenly on December 7, 2015, at his home. He was 60.

Born on March 17, 1955, in Plainfield, NJ, the son of Cecilia Kukucka Dullea of West Springfield, MA, and the late Maurice Dullea, he grew up in NJ and later in Placentia, CA. Dan returned to Maryland where he graduated from Loyola High School and Towson University with a BA in Philosophy. While at Towson he was part of the early years of their Division III football program. His sophomore year they were undefeated.

In 1975, Dan became Towson's first All-American in football. In 1976, Towson made their first NCAA post-season appearance, securing a berth in the Stagg Bowl, the Division III championship game. Down 28-0 in the fourth quarter, Dan triggered a rally in the last 13 minutes to tie the game. Unfortunately, they lost to St. John's of MN on a last second field goal. His accomplishments earned him an opportunity for an informal tryout with both the Baltimore Colts and the Pittsburgh Steelers. He played semi-pro football for a short time in the Baltimore area before injuries led him to a decision to stop playing.

He moved to Annapolis where he met and married Lee-Anne Charbonneau. His professional career was spent as a contractor specialized in painting and finishing. He especially enjoyed being part of teams that restored or renovated

properties with historical or architectural significance. He was a strong advocate for preservation versus demolition. He enjoyed running, weightlifting, sailing, and anything outdoors, along with reading, studying history, and collecting antique furniture and boat models. Most of all he loved spending time with his family, especially on trips to New England.

In addition to his mother Cecilia Dullea, Dan is survived by his loving wife, Lee-Anne Dullea of Queenstown, MD; son, Nathaniel M. Dullea; daughter, Maura K. Dullea; brothers, Maurice, Edward, and Brian, all residing out of state.

Services will be held on Saturday, December 12, 2015, at 12 p.m. at the Fellows, Helfenbein & Newnam Funeral Home, P.A. in Chester, MD, where friends and family may visit from 10am -12 pm.

In lieu of flowers, memorial donations may be sent to the donor's favorite charity or the Huntington's Disease Society of America in honor of his father, brother John, and nephew Connor, all who were afflicted with the disease.

Wow - such wonderful memories of such a loving family man. Dan's beaming smile at the joy of family. Amazing. Memories of people, vacations, houses, dogs, cars, weddings, parades, football and more. A life well lived. Dan lives forever in our hearts. Kathy, Mike, Alyssa, Trenton, and Collin.

“ I knew Dan in college, what a great, humble guy he was. I was in the Tennis Team and was hit above the eye. I came into the training room bleeding, trainer said I need to get stitches. Next thing I hear Dan says "Seftner you should play football, we wear helmets" . God Bless Dan and his family

“ I just saw that Dan will be inducted into the Towson U. Athletic Hall of Fame, and was terribly saddened to read that the award would be given posthumously. My time at Towson overlapped with Dan's and I was a fan of his stellar quarterbacking. I didn't meet him till we both took the same philosophy class my senior year, and I didn't get to know him until after the Stagg Bowl loss at a reception for the team. He was as impressive a person as he was a player. Friendly, warm, engaging. It's clear from the video that he carried those traits all through life, which looks to have been full and rich. My sympathies to his family; I'm sure your loss is deep.

“ Dear Lee-Ann, Nathaniel and Maura

I was shocked and so saddened when I read the Bay Times last evening. I know how much you loved him and what a wonderful father and husband he was. I also know that you are going through the most painful emotions anyone can experience and my deepest sympathy is with you.

“ *The last time I saw Dan he looked he had hardly changed in the last 40 years! He looked the epitome of health which makes this even more unbelievable that he's gone. He was an amazing person and looking at the tribute a man that loved life and his family. A man after my own heart which takes me back to the brevity of life and how we need to kiss our loved ones any chance we get. Love you Dan... Skip*

“ Dan was a great team player and was part of a life long team that will always be together in memory and thought. He was even a better person, husband, and father and great example for everyone. He will be deeply missed but never forgotten. He was an inspiration to all that had the privilege of knowing him for the special person and athlete that he was and made others around him better. My thoughts and prayers are with him and his family.

“ *It was less than two weeks ago that Dan and I caught up at our weekly visit to the Safeway, the only place I would ever run into Lee-Anne and Dan. I always felt that I knew what was going in with your family, because Dan(dad) was always sharing your stories, accomplishments, successes and general everyday family life. He was so very proud of each of you. His love of family always seemed to be the first thing he shared. I hope that your happy memories will get you through this most difficult time. Prayers to your family,*
