

## Daniel F. Frey

January 17, 1960 - October 7, 2023

Daniel F. Frey of Chestertown, MD passed away after a long battle with illness on October 7, 2023. He was 63 years old.

Daniel was born in Baltimore, MD on January 17, 1960 to Ellen Virginia and David F. Frey. He grew up in Catonsville, MD, where he graduated with the Catonsville High School class of 1979. He then began work as a brick mason with Buck Resch, and then with Anytime Electrical with Glenn Miller, and finally AZZ Electrical. He also worked for himself as a handyman.

Everyone knew him from the annual 4th of July Barbeque he hosted at his home in Catonsville, Maryland. It was a fun event, with friends and family coming from all over to enjoy the food, music, and company before walking to the high school to watch the fireworks together.

He loved fishing. If he wasn't at work, you could find him out fishing. He would often go fishing with his friends or family, and he always looked forward to the challenge of catching a big fish. He also enjoyed the peace and quiet of being out on the water, and he found fishing to be a very relaxing activity. He was a kind and generous man, and he was always willing to help out his friends and neighbors.

He was preceded in death by his wife, Phyllis Zepp; his mother, Ellen Virginia Frey; and his brother, Douglas Mason.

He is survived by his father, David F. Frey; sister, Virginia Cook (Charles); nephews, Rick Boothe (Stacey) and Nick Boothe; nieces, Jolene Gonzales (Chris) and Katy Frey; as well as many other great and great-great nieces and

nephews.
