

Daniel Edward Hurley

February 20, 1964 - July 9, 2017

Daniel Edward Hurley of Stevensville, MD, passed away July 9, 2017, at the University of Maryland Medical Center at the age of fifty-three as a result of a single motorcycle accident. Born February 20 1964, in Hartford CT, son of Ann Moynihan Hurley and the late Daniel T. Hurley, he graduated from South Windsor High School, CT, in 1982, after which he joined the Navy, serving in Okinawa, Japan until October of 1986.

Shortly after returning he attended the Porter Chester Trade School for a welding certification and found a career with Arbon Equipment. Beginning as only a service technician, he advanced to a Master Sales Representative position with over thirty years of dedicated service to Arbon Equipment. Dan enjoyed Nascar, politics, history, and technology. He enjoyed sharing social times and a meal with close family and friends was a favorite past time.

In addition to his mother, Ann Hurley, Daniel's legacy is survived by his wife of nearly 25 years Jeanne K. Hurley; son, David R. Hurley; daughter, Malynda E. Hurley; and sister Debbie Reid; leaving many family and friends behind. True Love Never Fails.

A memorial service will be held on Wednesday, July 12, 2017 at noon, at the Fellows, Helfenbein & Newman Funeral Home, P.A. in Chester, MD. Friends and family may visit beginning one hour prior.

A special service will also be held for Dan in his hometown at St. Margaret Mary Church.

In lieu of flowers, donations may be made in Daniel's name to the Wounded Warriors Project, PO BOX 758517, Topeka, KS, 66675-8517 or your local Fire Department Team.

Dan's Remains will be placed at Arlington Cemetery with Military Honors.

“ I worked with dan in Baltimore many years ago. He taught me nearly everything I know about the loading dock industry. I now have my own company and and install and service all dock equipment. Thanks to dan taking the time to teach me I have had a very successful career. I was recently talking to someone at rite hite and I brought dans name up and was told he had passed. I lost touch with him over the years but what he gave me was so much!! Prayers for your family and friends. Rip Mr. Hurley !

“ Dan,

One of the best stories that you ever told me was how you drove a Jeep 25 mph (posted speed limit) in Okinawa around all corners of the base and drove your superiors crazy by the noise of the screeching tires....but perfectly legal.....yes Sir.

You also taught me so many aspects of what became my professional life and I thank you for it.

Good times and good memories that will stay with me forever.

Remember, my cell phone IS ALWAYS ON.....lol.

RIP

“ My thoughts and prayers go out to the Hurley family, the world has lost a truly decent and honorable man. Dan's parents should be very proud, they did something right. He truly was a stand up guy, and one of the loyalist friends any person could ever ask for. I was fortunate enough to spend some time with him about a month ago, and after a twenty year absence, it felt like we hadn't missed a beat. That was typical Dan though, honest and honorable, funny and sarcastic, and never forgot who his friends were. His impact on people was palpable...you knew when Dan was in the room, and you were always glad he showed up.

“ *Jeanne and Family,*
I was so sorry to hear of Dan's passing. He and I go back many years with Arbon and I have many fond memories of him. I lost my Dad, "Rosie" who was Dan's 1st boss at Arbon last year and Dan passed along a nice note to our family. It meant a lot to me that he took the time to share his condolences. It hurts my heart that I am now sharing my respects and condolences to you for him. Not supposed to go this way but I know Dan worked to squeeze as much as he could out of every day so as long as you and your family are well I trust he is content in heaven. Please know I am thinking of you, Dan and your family and I hope the memories you shared with Dan will be held close to your heart and last a lifetime.
