“ *Dear Lister Family,*

I had the pleasure of meeting your son at Allen Family Foods when he worked for me as an EMT. He was always upbeat and ready to learn something new. I have three sons of my own and Danny would often refer to me as "Momma". When I left to head up the Occupational Health section at Your Docs In, Danny would often bring in workers for me to evaluate. He cared about what happened to them and that they get good healthcare. I can't even begin to imagine your loss. Please know that you are in my prayers and thoughts. May God bless and keep you and bring you peace.

“ Rest in peace Brother. We were nearly inseparable throughout our entire childhood. We had fun pretending to be firefighters playing with our matchbox cars and riding our bikes. One day nearly 16 years ago we both decided to join QAHVFC to make our pretending a reality and we joined the same day. We have seen it all. It is an honor to call you my friend and my brother. I will greatly miss you. RIP Chief
