“ *Danny helped me at my estate sales. Sometimes he would bring his son Robert to hang out with us. Danny did such a good job and always talk of Robert - the light of his life. We miss you and want you to know we think about you all the time. God bless his family! With sympathy, VICKY, BILL & DEE.*

“ *I worked with Dan at the Pennysaver in the 80's. I always enjoyed his happy go lucky attitude and sense of humor. I visited him in the ICU after his accident and then shortly afterwards I moved away and we lost touch. Then he contacted me via Facebook recently. I am so glad to have reconnected for the last few months of his life and will always remember him. RIP friend. You will not be forgotten. Deepest sympathies go out to his family, especially his son, Robert.*

I've only known Danny from a game I played with him...we became friends on Facebook and he's commented a lot about me and my Lil Boy...whom me and his mother have split since October....Danny has offered encouraging words to me a few times...Thank you for the kind words and God bless bud
