“ *"Make Me Thy Fuel Oh Flame Of God"*

Daniel, you are sorely missed. I remember our classes together at PCC. Those were the fun times. You may be missing on earth, but you are definitely not missing in the hearts of many who knew you. It was such a privilege to know you and if I had known before what I know now I would still have chosen to know you. You were an amazing young man and a fantastic friend. I will never forget you or the impact you had on my life.##imported-begin##Catherine Moser##imported-end##
